

The Ambassadors

Digital Connection & Progress Guide

Redemptive Life Global Ministries

Connect where you are. Learn at your pace. Grow in Christ. Take your next faithful step.

Who We Are

Our identity is rooted in the biblical calling entrusted to every follower of Jesus Christ: we are ambassadors for Christ. This calling is not reserved for pastors, missionaries, or church leaders. Every believer is called to represent Jesus faithfully in everyday life.

Identity Before Activity

We begin with belonging to Jesus Christ, not with a title, position, application, or performance. Salvation is the spiritual qualification for belonging to this Christ-centered community. Account security and administrative safeguards do not determine spiritual acceptance.

Our Shared Purpose

- Know Jesus Christ more deeply.
- Grow in biblical understanding and spiritual maturity.
- Worship, pray, and remain connected to Christian fellowship.
- Serve others with compassion and faithfulness.
- Represent Jesus Christ in the home, workplace, community, and world.

A Digital-First Community

The Ambassador House-to-House Community is designed primarily as a digital discipleship community. Teaching, connection, progress, prayer support, worship, and ministry communication will be available through the ministry website and secure Ambassador Portal.

Asynchronous by Design

Ambassadors will be able to enter their personal portal, continue where they stopped, and take the next step without being required to travel, attend at a fixed time, or meet at a physical location. Scheduled video connections may be offered, but ordinary participation is not dependent upon them.

Household Connection

A believer and household may be spiritually connected to the House-to-House community without hosting a Bible study or gathering. Optional household worship, discussion, fellowship, or in-person gatherings may occur, but they are not requirements for belonging or progress.

Your Ambassador Progress Portal

The secure portal is intended to become each Ambassador's personal digital place for discipleship and connection.

Planned Portal Areas

- My Beginning - starting point, testimony, growth goals, and support needs.
- My Journey - current Bible study, Fearless Faith teaching, worship, and resources.
- My Progress - completed lessons, reflections, goals, and next faithful steps.
- My Daily Connection - Scripture, prayer focus, worship, announcements, and teaching.
- My Household - household connection without a required home gathering.
- Prayer and Ministry Support - private requests with appropriate ministry follow-up.
- Connect With a Minister - optional 5- or 10-minute appointments during available times.
- Digital Community - encouragement and ministry communication without fixed attendance.

Development Status

The portal structure is being developed. Personal accounts and private records should not be submitted until secure sign-in, permissions, privacy notices, record storage, and administrative safeguards are activated and tested.

My Starting Point

Use this page privately to identify where you are beginning. When the secure portal opens, these reflections may help you establish your first progress record.

My relationship with Jesus today:

What I want to understand or strengthen:

My present Bible reading or study rhythm:

Prayer or ministry support that may help me:

A Flexible Rhythm of Growth

The digital experience is intended to support steady growth without making every Ambassador follow the same schedule.

A Simple Weekly Pattern

- Connect - open the portal and review your current Scripture, prayer focus, and announcements.
- Learn - continue your Bible study or current teaching at your own pace.
- Reflect - record what you understood, what challenged you, and what you will apply.
- Worship and Pray - use the available ministry media or your own quiet time with God.
- Act - take one faithful step of obedience, encouragement, service, or reconciliation.
- Receive Support - submit a prayer need or request an optional short appointment when needed.

My Current Rhythm

Best time for digital study: _____

Current study or teaching: _____

Prayer focus: _____

My next faithful step: _____

Connection, Privacy, and Care

Introducing yourself or connecting your household helps the ministry communicate, welcome you, and provide relevant updates. It is connection and onboarding, not an application for salvation or spiritual worth.

Administrative Distinctions

When accounts are activated, verification may be required to protect private information. Separate screening may apply to volunteering, leadership, residence, physical-property access, work with vulnerable people, or specialized programs. These safeguards are administrative and pastoral responsibilities; they do not determine whether someone belongs to Christ.

Responsible Care

- Protect passwords and private personal information.
- Share prayer needs only through approved secure channels when they contain sensitive information.
- Do not use the portal as a replacement for emergency, medical, legal, financial, or mental-health services.
- Call emergency services when immediate safety is at risk.
- Respect the privacy and dignity of every person and household.

My Next Faithful Step

What is God inviting me to do next?

Which digital teaching or resource will I continue?

What support do I need?

Our Central Truth

We are building one Christ-centered digital community where believers and households are encouraged, equipped, developed, and sent into the world as faithful Ambassadors for Christ.

Connect through the Redemptive Life Global Ministries website to introduce yourself, receive updates, use current teaching resources, and follow the development of the secure Ambassador Progress Portal.
